The **Camdenton Area Chamber of Commerce** has partnered with **WeSave** to bring you the WeSave Commerce Network. Participating chamber businesses will have the opportunity to enhance their employee benefit package and offer their employees free access WeSave's wide variety of discounts, offers and services from national and local businesses by simply registering at [www.commercenetwork.wesave.com](http://www.commercenetwork.wesave.com) **As a business**, when you go to the registration page, it will ask "**What Chamber of Commerce are you a member of?**", be sure to put in "Camdenton Area Chamber of Commerce" in the box. Once you have registered as an employer, it will instruct you on how to offer this benefit to your employees.

The WeSave Commerce Network program combines the buying power of chamber businesses to negotiate discounts on products your business and your employees use every day. Valuable benefits of this program include:

- **NO COST** to business or employee to join
- Access to countless discounts and products
- Vacation Savings Plan for employees
- Cash back on online mall purchases (not local purchases)
- A free enhancement to your employee benefit package that supports employee retention and satisfaction
- **Option for participating businesses to post products directly** for sale to members through WeSave's universal shopping cart
- **Post coupons for in-store redemption**
- A participating business has access to thousands of potential customers
- Potential for increased sales through optional advertising
- No design costs

Currently, the State of Missouri includes the WeSave program in their employee benefit package. And, over 20,000 state employees are taking advantage of these valuable discounts. It's easy to give your employees access to similar discounts.
